## **INTRODUCTION**

At Creative Touch Dubai, we provide a wide range of home and office interior solutions, catering to Major hotels, Corporates and residential sectors in the U.A.E. For last two decades, we are serving our valued clients for their requirements related to interior solutions with customized curtains, blinds, sofa-sets, wallpapers, carpets, carpet-tiles, parquet and PVC floorings. Irrespective of project-size, our teams serve our clients with sincerity and thorough professionalism.

Our in-house Joinery (Carpentry) and Upholstery produces a wide range of soft furnishings for Individual projects, hospitality industry and events.

The Sales and execution of work is carried out by a professional well trained team. Our team consists of Professional tailors, carpet fixers, carpenters and upholsters.

### **Procurement**

Creative Touch Dubai is holding a trustworthy image in the furnishing market and has a reliable relationship with international manufacturers. Our procurement specialists are in the position to offer a wide range of interior products for various projects from across the globe to meet the client's requirement.

Due to the excellent relationship with our International Suppliers we are in a position to produce customized fabrics and upholstery material as well as fabric wall-coverings according to the customer's requirement.

Our long experience makes it possible to develop extraordinary concepts, out of consideration for the client's functional aspects, the investor's budget, as well as for the strategic intentions concerning the marketing concept.

## **Design**

Let us assist you in choosing the best counter match for your existing home decor or your office furniture. Our experienced interior designer will ease out all the queries related to decor, space management, ambience and we assure you the best output suited to your budget. Classy or jazzy..., ethnic or trendy...sober natural shades or eye catching bright..., you name it we have it!!

We assure you that Creative Touch Dubai will become your favourite supplier for all your future requirements, and we will get one more valued customer as adding another laurel to our firm. We believe in long term faithful relationship with our customers.

We create spaces according to the client's demands, and start with conception and planning.

## **Planning**

The project planning is mainly according to the involved engineers and consultant companies. According to their planning we carry out all details for the project like wall-covering, furniture, upholstery, curtains and carpet installation.

## **Mission**

Long term faithful relationship with our Customers and their satisfaction with our sincere service is our utmost goal.

## **Location**

We have a showroom in Dubai, located at Naif Road, Deira
